We received a letter in the mail informing us that Ike Lameyer has been in the hospital and they can't seem to find out why. He has a problem with breathing. Karen his wife, also just got out of the hospital. She's been there since March. She fell and broke her ankle and now has to have therapy. We pray for a speedy recovery for both of them. They wanted everyone to know how much they miss all of you! They're new address is 5812 Village Dr. SW Apt. # 123 Wyoming MI 49519-9688
