

We would like to express a very warm “WELCOME” to Reverend Dr. Albert Vander Meer who is a retiree Chaplain from the Reformed Church of America. He resides in Beecher Illinois with his wife Lenore, and he is the Classis Supervisor for Bayshore Gardens Community Church. He is really looking forward to meeting and sharing with our congregation. Thank-you Pastor.

Vacation Bible Camp was another great success!! Thank-you to all of you who volunteered time, food, and supplies. The kids had a great week learning bible stories, having a puppet show, making crafts, playing games, eating, and just having a wonderful time learning and sharing together about Jesus. A special thank-you to Mary Ellen Baker for putting this event together. We look forward to next year!!!

*With Deepest
Sympathy*

With deepest sympathy to Spike Klocke and her family in the loss of her dear mother, Lillian Virkier who passed away Monday, June 10. Our thoughts and prayers are with you at this difficult time.

Dear Father...

Today, I just want to say
THANK YOU
For being such an awesome
FATHER
For giving me
YOUR WORD
To meditate upon
for it's the source of my
STRENGTH.

Love Your Child,
