

This morning we **Welcome Mark Egan** and his lovely wife, **Beth** to our worship service. Mark is President of the Local Gideons. He has blessed us in the past with his presence. We look forward to hearing current updates on the Gideons and their ministry. We thank both Mark and Beth for sharing God's Love and Word in our community.

This past week we had a phone call from Marcia Russell. She is still in Michigan. She will possibly be back in October for a short stay, then back to Michigan for the holidays.

Marcia asked me to thank all of you for your cards, calls, prayers and love at the time of Ken's death. Your kindness has filled her heart with joy and peace.
