We received a newspaper clipping this past week along with a picture of Bill Butler, Doris Snider and Dean Kimble.

The city of Bremen, where Bill and Pat Butler live, honored three members of the First United Church of Christ who were all born in the year 1918. Together they each celebrated or will be soon 100 years. Kimble's birthdate was March, 1918; Snider's birthdate is September 18, 1918 and Butler's birthdate is October 17, 1918.

Mr. Butler's advice to young people: *"Put away your phones! There are so many lonesome people today. If you say hi to someone it might be the only word they hear from anyone."*

**CONGRATULATIONS TO EACH OF YOU!
MAY OUR LORD CONTINUE
HIS WATCH OVER YOU.
GOD LOVES YOU — AND WE DO TOO.**
