As a faith community, we're here to share in each others' experiences and lift each other in prayer. Please contact the church for any prayer requests or updates you may have.

### *Continued prayers for all those on our prayer list.*

Please include Jim Klocke in your prayers as Jim had surgery this week for an infection. May our prayers bring comfort and healing.

Our prayers for Sondra's speedy recovery from her hip replacement surgery this past week. Looking forward to seeing her pain free!

### LET US PRAY WITH YOU

If you would like to pray for a specific need, or need spiritual support, our Consistory Team is available following service.

In our shared journey of prayer, we've encountered challenges in receiving updates to our prayer list. To maintain its accuracy and make room for new additions in our bulletin, individuals will now be included for approximately 30 days unless we receive notice.

Your compassion for others not only contribute to the well-being of our church family but also opens our hearts for others who are, or will be, in need of our prayers and support. Together, let us continue to uplift one another.
