We are thrilled to reveal our new church logo! A solitary cross, the timeless symbol of redemption and hope . Two palm trees, their graceful forms slightly bent, yet standing tall and resilient against the winds of life's challenges. These trees symbolize our unwavering faith and perseverance, rooted deeply in God's promises , with a collective strength and support found within our community.

We want to extend our heartfelt appreciation to *Rich Williams*, whose unwavering dedication and tireless efforts have been instrumental in bringing our air conditioning project to fruition. From meticulously coordinating with contractors to personally overseeing every aspect of the work, Rich has gone above and beyond to ensure its success. Your commitment to this significant undertaking has not gone unnoticed, and we are immensely grateful for your outstanding contributions. Thank you *Rich* for your steadfast dedication and exemplary service to our church and our members.

As a faith community, we're here to share in each others' experiences and lift each other in prayer. Please contact the church for any prayer requests or updates you may have.

*Continued prayers for all those on our prayer list.*
