Like a river flowing from the throne,

The living water quenches our thirst,

And we drink deeply of the love of God,

That fills us with joy and peace and hope.

Let us give thanks for this holy drink,

For the grace that was poured out for us,

And let us renew our commitment to follow,

Our Savior, our Guide, our Shepherd of all.

"May your birthday month be filled with joy and blessings as you celebrate another year of life. May God's grace continue to shine upon you abundantly throughout the coming year. Happy Birthday to all our beloved May celebrants!"

Choir is the Best

Choir builds better people. It really does. Music ensembles of any kind, for that matter.

- It was in choir I discovered I had a voice that was valued and part of a much bigger whole.
- It was in choir I discovered my confidence - both musical and personal.
- It was in choir I discovered the importance of discipline, focus, and selflessness.
- It was in choir I discovered there were other people just like me.
- It was in choir I discovered I was good at something.
- It was in choir I discovered that hard work pays off.
- It was in choir I discovered how to interact and work with people of all ages.
- It was in choir I discovered how my actions impact others.
- It was in choir I discovered how to manage my nerves.
- It was in choir I discovered the sheer joy of making music with others.
- It was in choir I discovered that being prepared isn't always enough.
- It was in choir I discovered how to deal with making mistakes.
- It was in choir I discovered how awesome making music with other people is.
- It was in choir I discovered myself.
- It was in choir I discovered my calling.

It is in choir that I always have a source of comfort, a family, and a sanctuary away from the world around me.

Choir helped to build the best version of me.
