Coming together after the storm . Our community dinner brought comfort, connection, and a whole lot of smiles as we shared food and stories. Grateful for the strength we find in each other!

It is with great appreciation and gratitude that we acknowledge a thoughtful donation given in recognition of the yard work assistance provided at Hibby Wenger's home by Roger Brown and Marv Ellis. These men exemplify Christian service, meeting the needs of others

who are less able. We are blessed by their example of faith in action

Innovative church giving

In times of both joy and sorrow, we stand united as a faith community, ready to embrace one another with love and support. Please contact the church for any prayer requests or updates you may have. Together, let's continue to uplift each other in prayer and strength.

*Continue prayers for all those on our prayer list.*

If there is a need for a twin bed, small dresser, or space to store items, a storage shed with room for storage, is being offered by someone within the church. This is available to anyone who may have experienced damage from the recent hurricanes. Please reach out to the church office for details.
